

## Zanzibar Palace Hotel

Zanzibar Palace Hotel is located right in the heart of Stone Town (an Unesco World Heritage site). It is independently owned and managed. In the nine rooms hotel Zanzibar's rich history is integrated by Arabian, Indian and English designs. The tall thin building wraps around an atrium, with just three rooms on each of its three floors. All the furniture is of very high quality and carefully selected to give the hotel a wonderfully traditional and antique feel. Each room has its own unique style with many local originating antique pieces of furniture, magical beds, Persian rugs, colourful silks, etc. The hotel is fully air-conditioned; other facilities for all rooms are room service, high-pressure (hot) water, Cable network TV, DVD player, safe box, mosquito nets, book and DVD library and many others. In the morning you can enjoy an impressive continental spread breakfast (included in the room rates), with a variety of cheeses and cold cuts, as well as lots of home-baked bread and cakes and not to forget real coffee. Further the traditional fruit, juices, cereals, pancakes and bacon & eggs choice. In the Arabian lounge we serve local and continental (alcoholic) drinks and cocktails. We serve lunch menu (between 11:00 and 17:00) and (on reservation) in the evening a gastronomic dinner in our restaurant.
